Subject: RE: TMDLs not required in order to develop WQBEL, waters can be de-listed if water later meets WQS
Date: Thursday, June 28, 2018 10:27:00

In our final action [tomorrow] on the Deschutes Watershed (WA) TMDL submission, we will not be taking action on 10 (out of 73) TMDLs because – after TMDL submission in 2015 – the waters were removed (with EPA’s approval) from WA’s 303(d) list.
